Hypnotherapy Certification

Train for a Career in Hypnosis With 5-PATH™ Hypnotherapy and 7th Path Self-Hypnosis™

Accelerated 100-Hour Professional Hypnotherapy Certification Course

Hypnotherapy Certification Recognized by the National Guild of Hypnotists!

Why is 5-PATH™ different from other hypnosis trainings?

When you learn the 5-PATH™ systematic approach to hypnotherapy, you join ranks with some of the best hypnotists in the world. Created by Calvin D. Banyan, founder of Banyan Hypnosis Center (Minnesota), 5-PATH™ stands for "5-Phase Abreactive Therapeutic Hypnosis." Using this powerful combination of techniques will empower you to achieve powerful results with your clients in just a few sessions. Not only will you master the tools, you will also learn the optimum sequencing for consistently maximized results, while quickly building confidence in your skills.

What is 7th Path™ Self-Hypnosis?

Next generation self-hypnosis is here! Experience the thrill of learning and teaching 7th Path Self-Hypnosis™. Classical approaches to self-hypnosis limit the focus to a single issue or behavior, without the ability to consider the cause of the problem. With 7th Path Self-Hypnosis™ your clients enjoy a holistic approach, allowing the cause of their issue to be targeted in just a few minutes of self-hypnosis up to three times a day. This method is the first self-hypnosis system designed to actively "de-bug" one's mental programming for life optimization.

What will I get when I take your course?

- Supervised in-class practice time to master the techniques quickly.
- A proven, reliable system of hypnotherapy *and* the confidence to use it.
